PROFESSIONAL SUMMARY

Computer Science graduate specializing in Multimedia Computing, with hands-on experience in web development, graphic design, and technical site management. Proven ability to take projects from concept to registered intellectual property. Equipped with a diverse toolkit including Laravel, Unity, and UX Design, I am eager to contribute to an innovative team by solving complex problems with creative technical solutions.

CAREER OBJECTIVE

Aspiring UI/UX Architect and Designer with a strong technical foundation in system implementation. Eager to contribute to high-quality digital solutions by bridging user-centered design with AI/ML-driven functionality, while continuously developing my expertise within a collaborative engineering team

CORE SKILLS

- Figma (UI/UX Design)
- Adobe Illustrator, Canva (Graphic Design)
- Blender (3D Asset Creation).
- Multimedia Production (Large-format printing workflow)
- HTML5, CSS3
- Laravel (PHP), MySQL (Database Management).
- AI and ML - Python
- Web Administration, Joomla, Laragon.
- Vuforia Engine (Augmented Reality).

PROFESSIONAL EXPERIENCE

GRAPHIC DESIGNER

IQRA Printing Sdn. Bhd. Dec 2025 — May 2026 | Bachok,Kelantan

- Design and preparation of high-impact marketing materials including banners, stickers, and labels.
- Manage the end-to-end "Pre-press" process, utilizing large-format printers and cutting plotters with a focus on QA/QC to reduce material waste.

UI/UX Designer Intern

Global Entrepreneurship Research and Innovation Centre (GERIC) Sep 2025 — Dec 2025 | UMK, Kelantan

- *System Architecture: Architected the UI/UX and frontend infrastructure for the GERIC Integrated Management System (GIMS) using the Laravel framework.*
- *Intellectual Property: Spearheaded the technical documentation and quality standards required to secure an Official Copyright (MyIPO) for the GIMS software.*
- *Brand Identity: Developed a cohesive visual brand package for GERIC, including logos and digital assets that improved the center's professional presentation.*

Website Developer Intern

Student Affair Department, UiTM Machang Sep 2022 — Feb 2023 | Machang, Kelantan

- *Developed the **E-Merit System**, a centralized web-based platform to automate the management of student merit records.*
- *Optimized MySQL database structures to ensure fast data retrieval and secure student information storage.*

Marketing Team & Shop Assistant

Hello Meow Enterprise Jan 2023 — Dec 2024 | Gombak, Selangor

- *Designed engaging infographic posters and promotional video content to increase brand visibility and customer engagement.*
- *Balanced creative marketing tasks with daily store operations, inventory management, and customer service excellence.*

EDUCATION

- **Bachelor of Computer Science (Hons.) Multimedia Computing**

Universiti Teknologi MARA (UiTM) | 2023 – 2025

- **Diploma In Computer Science**

Universiti Teknologi MARA (UiTM) | 2021-2023

LANGUAGE

- Malay – Native fluency
- English – Fluent (written and spoken)

ASY SYIFA'

ABOUT ME

Computer Science (Multimedia Computing) graduate focused on building interactive systems and user-centered digital solutions. Skilled in translating ideas into functional products through clean design and robust implementation. Eager to apply hands-on experience in web development and prototyping to an innovative tech team.

PROFILE

NAME : ASY SYIFA' BINTI HAMRAN

ADDRESS: GOMBAK, SELANGOR

TEL.NO : 016 - 4949 676

EMAIL :

asy.syifa.hamran77@gmail.com

LANGUAGES

B.Melayu : Fluent in spoken and written

English : Fluent in spoken and written

TECHNICAL SKILLS

- Figma (UI/UX Design)
- Adobe Illustrator, Canva (Graphic Design)
- Blender (3D Asset Creation).
- Multimedia Production (Large-format printing workflow)
- HTML5, CSS3
- Laravel (PHP), MySQL (Database Management).
- Web Administration, Joomla, Laragon.
- Vuforia Engine (Augmented Reality).

EDUCATION

HIGHER EDUCATION

**BACHELOR OF SCIENCE COMPUTER (HONS.)
MULTIMEDIA COMPUTING (CSC253)
UITM SHAH ALAM, SELANGOR**

DIPLOMA IN COMPUTER SCIENCE (CS110)
UITM MACHANG, KELANTAN

SECONDARY EDUCATION (SPM)

SMK BADAK ,KELANTAN

WORK EXPERIENCES

JANUARY 2026 - MAY 2026

IQRA PRINTING SND.BHD - GRAPHIC DESIGNER

- Design and preparation of high-impact marketing materials including banners, stickers, and labels.
- Manage the end-to-end "Pre-press" process, utilizing large-format printers and cutting plotters with a focus on QA/QC to reduce material waste.

SEPTEMBER 2025 - DECEMBER 2025

GLOBAL ENTREPRENEURSHIP RESEARCH AND INNOVATION CENTRE, UMK - UI/UX DESIGNER INTERN

- System Architecture: Architected the UI/UX and frontend infrastructure for the GERIC Integrated Management System (GIMS) using the Laravel framework.
- Intellectual Property: Spearheaded the technical documentation and quality standards required to secure an Official Copyright (MyIPO) for the GIMS software.
- Brand Identity: Developed a cohesive visual brand package for GERIC, including logos and digital assets that improved the center's professional presentation.

CERTIFICATES

Foundation of User Experience (UX)
Design | Google (via Coursera), 2025

Fundamentals of Sustainability &
Technology | IBM SkillsBuild, 2025

Artificial Intelligence Fundamentals |
IBM SkillsBuild, 2024

SELECTED PROJECTS

AUGMENTED REALITY DEVELOPMENT

- **ARVOLCANO (Final Year Project):**
Developed an immersive educational AR application using Unity and Vuforia to visualize volcanic processes; focused on high-fidelity 3D asset integration and interactive user interfaces.

ARTIFICIAL INTELLIGENCE & MACHINE LEARNING

- **Sign Language Detection System:**
Developed an intelligent recognition system utilizing Machine Learning algorithms to interpret hand gestures, bridging the communication gap through technology.

FULL-STACK & SOFTWARE ENGINEERING

- **Personal Digital Portfolio:** Designed and deployed a responsive personal portfolio on GitHub Pages to showcase multimedia projects and technical proficiency.

SEPTEMBER 2022 - FEBRUARY 2023

STUDENT AFFAIR DEPARTMENT, UITM MACHANG - WEBSITE DEVELOPER INTERN

- Developed a centralized Web-Based E-Merit System designed to automate and streamline the management of student merit records.
- Engineered comprehensive system workflows, including automated modules for submission, multi-level approval hierarchies, and real-time progress monitoring.
- Digitized legacy manual processes, significantly increasing data accuracy and reducing administrative processing time through optimized database management.

2023 - 2024

HELLO MEOW ENTERPRISE- SHOP ASSISTANT/PET GROOMER/MARKETING TEAM

- Designed high-impact infographic posters and promotional videos to drive customer engagement and brand awareness.
- Managed daily store operations, including precision point-of-sale (POS) transactions and systematic inventory management to ensure optimal stock levels.
- Provided high-quality customer service, resolving inquiries efficiently and maintaining a professional brand image.
- Integrated digital design skills with physical store needs by creating cohesive promotional assets for both digital and in-store displays.

EXTRACURRICULARS

- **Multimedia Committee**, SULAM Programme | UiTM Shah Alam
- **Treasurer**, Science Computer Society Club | UiTM Machang
